

**GOING OUT ON THE  
GRAPEVINE IT'S  
100 DEGREES. COMING  
BACK IT'S COVERED  
IN SNOW. THE LESSON:  
THE WEST IS TOUGH.  
WHICH MEANS YOU NEED  
A DIFFERENT TYPE OF  
TRUCK, ONE STRONG  
ENOUGH TO DO THE JOB,  
BUT NIMBLE ENOUGH  
TO DO IT RIGHT.**

An aerial photograph of a multi-lane highway winding through a dry, hilly landscape. The terrain is brown and arid, with sparse vegetation. In the background, a range of mountains is visible under a clear blue sky. Several semi-trucks and a small car are traveling on the highway. The text is overlaid on the image in large, white, bold, sans-serif font.

# BUILT LIGHT.

LIGHTER TRUCKS BUILT TO GO EVERYWHERE.

---

Engineered to meet restrictive weight limits.

---

High-strength components that maximize productivity.

---

Lightweight without sacrificing durability.

# BUILT RIGHT.

DURABLE TRUCKS BUILT TO WORK ANYWHERE.

---

Spec'd for the rigors of Western applications.

---

Fuel-efficient components that boost profitability.

---

Broad dealer network to help you stay on the job.

PINNACLE™ SERIES

**BUILT TO COVER  
NEW GROUND.**

---

## TWIN Y™ AIR SUSPENSION

The Mack Twin Y air suspension saves up to 403 lbs. versus other suspensions thanks to a revolutionary design that includes two stamped high-strength steel Y-shaped blades per wheel end.

---

## MP™ ENGINE SERIES

With plenty of horsepower and high torque ratings, our proprietary Mack MP Engine Series commands the road. These lightweight engines are also more efficient to boost your bottom line.

---

## mDRIVE™ TRANSMISSION

The revolutionary *mDRIVE* makes pulling a big load easier, safer and smarter. Built exclusively for Pinnacle tractors, this 12-speed automated manual transmission maximizes driver comfort, payload, performance and fuel economy.

---

## MACK® NATURAL GAS

By offering Pinnacles with LNG or CNG fuel systems, Mack's natural gas models deliver low emissions and high MPGs while allowing you to tap into abundant domestic resources.

**MACKS ARE POWERFUL AND EFFICIENT,  
GIVING YOU THE CONFIDENCE TO GET  
THE JOB DONE WITH THE HIGHEST  
PRODUCTIVITY AND WITH THE LOWEST  
STRESS ON YOU, YOUR VEHICLE AND  
THE ENVIRONMENT.**

---

## MP ENGINE SERIES

With 325 to 505 horsepower and 1,200–1,760 lb.-ft. torque ratings, the MP7 and MP8 engines have the power you want. Delivering the lowest emissions ever offered by Mack, these engines also offer the fuel efficiency you need.

---

## *m*RIDE SPRING SUSPENSION

Our next generation spring suspension allows you to take everything the road throws at you. Lighter weight for vocational applications, its articulation keeps your wheels planted firmly on the ground, maximizing traction no matter the conditions.

A white Mack Granite Series dump truck is shown from a front-three-quarter view, parked on a dirt surface at an industrial facility. The truck features a large dump body and multiple axles. In the background, there are complex metal structures, including a long conveyor system and a tall vertical tower, under a clear blue sky.

GRANITE® SERIES

**BUILT TO BREAK  
NEW GROUND.**

---

## MAXITORQUE® ES TRANSMISSION

Featuring the industry's only triple-countershaft design and more PTO mounting options than any other transmission, it also offers revolutionary shifttable, multispeed reverse capabilities and a standard, one-piece aluminum case.

---

## APPLICATION FLEXIBILITY

Granite offers extreme flexibility to tackle a wide range of applications and is compatible with a host of configurations. Also available is the lighter-weight Granite MHD in 6x4 and 4x2 configurations, which feature Mack toughness while delivering an increased ROI.

# INVESTED IN THE WEST.

Having increased our dealer locations by nearly 50% and with more than \$290 million invested in modernized facilities, Mack and its dealers provide technological know-how and highly trained support. Plus, thanks to a 150% growth in service bay capacity and double the number of employees dedicated to helping customers, you'll do less waiting and more working.

---

## **PEDIGREE™ UPTIME PROTECTION**

Pedigree Uptime Protection, which includes Mack OneCall™ and Mack® ASIST,™ is our comprehensive after-sales service and support platform that takes care of customers end-to-end after their truck is delivered.

---

## **QUALITY PARTS AND SERVICE**

Our advanced parts distribution system and service network is set up to ensure you get access to legendary Mack® Genuine Parts and service wherever the road takes you.

**FROM RUNNING  
THE ROCKIES  
TO BUILDING THE  
HOOVER DAM,  
WE'VE MADE OUR  
MARK ON THE  
WEST. MAKE YOURS  
WITH A MACK  
THAT'S BUILT LIGHT  
AND BUILT RIGHT.**
